On presentation of proof of error, the Employer will correct any errors so found. By March 31st of each year, the corrected list shall be posted in all **base** work locations, and a copy sent to the Union. This shall be considered the accurate list and shall not be subject to further changes until the next posting.
- (e) Part-time employees placed on standby shall accrue seniority for hours actually worked on a callback.

8:02 Seniority of an employee will continue to accrue during:

16:04 Upon sufficient notification to the Employer, and providing such time off does not unduly affect the departmental operations, employees shall be allowed time off with pay to attend appointments with a doctor, dentist, chiropractor, physiotherapist, or other recognized medical therapist recommended by a physician. The time utilized for such appointments shall be deducted from accumulated income protection. When non-local resources are utilized, a maximum of one (1) day may be claimed from income protection.

An employee who is able to resume work following a period of absence which exceeds one (1) month shall notify the Employer of **their** ability to resume work at least five (5) calendar days prior to the date of **their** intended return.

It is expressly understood that an employee may not receive compensation from both income protection and from MPI.**

C. WCB/MPI Advance

- (c) The employee shall reimburse the Employer by assigning sufficient WCB/MPI payments to be paid directly to the Employer to offset the total amount of the advance or by repayment to the Employer immediately upon receipt of payment made by WCB/MPI directly to the employee.
- (d) In the event that WCB/MPI disallows the claim, including any appeal, the employee shall be paid for the absence in accordance with the income protection provisions of this Agreement and the Employer shall recover the total amount of the advance by payroll deduction.
- (e) Upon request, the Employer will provide a statement to the employee indicating the amount of advance payment(s) made and repayment(s) received by the Employer.

D. WCB/MPI Supplement

- (a) Subject to (C), an employee who accumulated sufficient income protection credits may elect to submit an application to the Employer requesting that the Employer supplement the WCB/MPI payments.
- (b) The amount of such supplement will equal ten percent (10%) of the employee's regular net salary not earned due to the time loss. Regular net salary will be based on the employee's basic salary as defined in the Salary Schedule of the Collective Agreement (exclusive of overtime), less the employee's usual income tax deduction, CPP contributions and EI contributions.
- (c) The Employer's supplement shall be charged to the employee's accumulated income protection credits and such supplement shall be paid until:

- - the employee's accumulated income protection credits to a maximum of two hundred and eight (208) working days since the first day of the supplement are utilized.

(d) If at any time it is decided by WCB/MPI that any payment to be made to the employee by the Employer must be offset against benefits otherwise payable by WCB/MPI, then such payment shall not be payable.

16:13 Transportation to the nearest physician or hospital for employees requiring immediate medical care as a result of an on-the-job accident shall be provided by or at the expense of the Employer if it is not covered by a medical plan.

16:14 Income protection will continue to accrue during a paid leave of absence, or unpaid leave of absence of four (4) weeks or less. For unpaid leaves of absence that exceed four (4) weeks, income protection credits shall be retained but shall not accrue for that period of time that exceeds four (4) weeks.

16:15 An employee who is absent due to illness or injury which is not eligible for compensation by either the WCB subject to **16:12 A** or by MPI as a result of a motor vehicle accident subject to **16:12 B**, shall be paid **their** regular basic salary to the extent that **they have** accumulated income protection credits. The Employer reserves the right to verify that a claim for income protection is not made with respect to any injury for which lost earnings are compensated by MPI.

Employees who are unable to return to their point of origin as a result of inclement weather conditions or fleet vehicle breakdown while on Employer business shall inform the Employer as quickly as reasonably possible. Such employees shall suffer no loss of pay and in addition shall be entitled to the applicable provisions of Article 39.

39:09 **When an employee is in travel status and a meal expense occurs, the employee is entitled to a meal claim up to the provincial rate, however, must provide receipt of all meals or meal per diem(s) claimed.**

39:10 Where a single price or flat rate is charged for meals by the supplier and no other reasonable alternative in the location is available (which may occur in some remote or isolated communities), actual meal expenses exceeding the above maximum may be claimed if supported by a receipt.

39:11 Laundry

- (a) Laundry charges must be supported by receipts and may only be claimed where the employee is travelling on Employer business and overnight away-from-home accommodation is involved for a period in excess of four (4) consecutive nights.
- (b) No claim may be made where special reimbursement arrangements have been made, such as a weekly or monthly allowance for living costs.

39:12 Parking

An employee may claim parking expenses as follows:

- (i) Short-term parking, when the employee is away from the workplace; and
- (ii) Overnight parking where it is not provided with accommodation.

39:13 Special Emergencies

Where special circumstances arise, (Example: flood control, fire duties, etc.) and an employee is required to work extended hours in connection with that emergency, with the authority of the Employer, the employee may claim the cost of purchased meals appropriate to the period worked, as provided for under **Article 39 - Meals Expenses/Travel Allowances**.

39:14 Telephone and Business Communications

- (a) Charges for telephone calls and business communications necessary for business purposes may only be claimed when they are supported by a listing of the person telephoned or communicated with, and the city or town involved.
- (b) An employee is entitled to claim the cost of long distance telephone calls up to a maximum of five dollars (\$5.00) for each period of three (3) consecutive nights away from the employee's residence on business and overnight accommodation is involved.

39:15 Travel Status - Return Home Over a Weekend

Provided that work schedules permit, an employee in travel status may return home over a weekend and shall be reimbursed travel expenses in an amount

not exceeding the cost of maintaining the employee in travel status over the weekend.

If travel is by vehicle, this cost should be evaluated at the per kilometre rate applicable for personal distance travelled for that vehicle.

39:16 Accommodations

Employees travelling on Employer business are entitled to standard hotel room accommodation with a bath when available.

39:17 The type, standard and cost of accommodation, and the period for which such costs may be allowed shall be reasonable considering all relevant circumstances.

39:18 Where no overnight accommodation is involved, only the appropriate individual expenses may be claimed.

39:19 An employee who is in travel status may claim an incidentals allowance of five dollars (\$5.00) for each night.

39:20 The incidentals allowance covers reimbursement for all incidental expenses.

39:21 Employees required to use, or provide their own personal vehicle for Employer business, which has been pre-authorized by the Employer, shall be reimbursed and paid in accordance with the Province of Manitoba mileage rates, subject to a minimum mileage payment of six dollars (\$6.00) return, and in accordance with the following formula:

Distance (in kilometers) from the employee's home to the alternate location/worksite minus the distance (in kilometers) from the employee's home to the employee's originating worksite.

It is understood that any adjustments in the mileage rates shall be implemented as quickly as reasonably possible, retroactive to the date the Province of Manitoba mileage rates became effective.

39:22 Upon request, an employee who is required to commence or terminate **their** shift between 0001 hours and 0600 hours, and who does not have **their** own transportation will have transportation provided by the Employer.

Article 40 Academic Allowance

40:01 The Employer shall pay the following non-cumulative amounts in addition to the salaries as per the Salary Schedule, provided such academic attainment is relevant to the position held, is from an accredited institution, and is not a basic qualification for the position:

- - Masters Degree - **\$175.00** per month (**\$80.77** bi-weekly) pro-rated on an hourly basis;
- - Licentiate or Fellowship - **\$225.00** per month (**\$103.85** bi-weekly); pro-rated on an hourly basis;

- - B.Sc. and A.P.R.T. - **\$225.00** per month (**\$103.85** bi-weekly); pro-rated on an hourly basis;

Note: Academic Allowance will commence the date at which the employee provides supporting documentation in the form of a copy of a transcript or degree to the Employer.

Note: Notwithstanding the above, the Employer confirms that Academic Allowances not listed above currently paid to existing employees shall not be discontinued or reduced for the duration of that employee's employment, unless specifically negotiated at a later date.

Article 41 Contracting Out

41:01 It will not be considered contracting out should the Employer:

- (a) Merge or amalgamate with another health care facility, health care related facility or another service provider, or

- (b) Transfer or combine any of its operations or functions with another health care facility, health care related facility or another service provider, or
- (c) Take over any of the operations or functions of another health care facility or another service provider, or
- (d) Centralize or consolidate with another service provider.

The Employer will provide all relevant information to the Union in a timely manner as it becomes available.

41:02 In the event of devolution and transfer of services provided by employees covered by this Agreement to a Crown Corporation, Board, Agency, Commission, or other service provider, the Employer and the Union will establish a joint committee to facilitate the orderly transfer of employees who are impacted.

Where the successorship provisions of the Labour Relations Act have been determined by the Manitoba Labour Board to apply, the provisions of this agreement shall continue in effect for the affected employees unless otherwise modified by the Manitoba Labour Board.

The Employer and the Union will work together with the successor Employer to negotiate a transition agreement respecting the administration and interpretation of this Agreement during the period required to negotiate a new collective agreement.

Article 42 Term of Agreement

42:01 Unless otherwise specified, this Agreement and all its provisions shall be effective April 1, **2018**.

42:02 (a) This Agreement shall be in full force and effect until March 31, **2024**, and thereafter should the parties fail to conclude a new contract prior to the expiry date of this Agreement, all provisions herein contained shall remain in full force until a new Agreement has been reached or until the

- (b) The Union agrees to give the Employer at least **two (2)** week's (**14** days) written notice as to the intended time and date of strike action.
- (c) The Employer agrees to give the Union at least **two (2)** week's (**14** days) written notice as to the intended time and date of lockout.

42:03 The Agreement may be amended during its term by mutual agreement.

42:04 Should either party desire to propose changes to this Agreement, they shall give notice in writing to the other party not more than ninety (90) calendar days and not less than thirty (30) calendar days prior to the date of termination. Within thirty (30) calendar days of the receipt of these proposals, the other party shall be required to enter into negotiations for the purpose of discussing the changes and the formation of a new Agreement.

42:05 All additions, deletions, amendments, and/or revisions from the previous Agreement to this Agreement shall be effective the date of ratification of this Agreement unless otherwise specified.

42:06 It is agreed that neither the Union nor the Employer shall sanction or consent to any strike or lockout during the term of this Agreement and further no employee in the bargaining unit shall strike during the term of this Agreement.

42:07 Should there be retroactive wage and benefit adjustments, they shall be made payable within sixty (60) working days of the date of ratification. Such retroactive adjustments shall be paid on a separate deposit and applied as follows:

- (a) To full-time, part-time, temporary and casual employees who are covered by this Agreement.
- (b) Upon written application, to employees who have resigned or retired.
- (c) Upon written application, to the estate of deceased employees.

42:08 The ratification date of the current Collective Agreement occurred on July 14, 2023.

Article 43 Telephone Consults

43:01 When an employee is consulted by telephone outside of **their** regular working hours and is authorized to handle bona fide work-related matters without returning to the workplace, the following shall apply:

- (a) An employee who has not completed **their** regular daily or biweekly hours of work shall be paid at **their** basic rate of pay for a minimum of fifteen (15) minutes or actual time worked whichever is greater for each telephone consultation call logged.
- (b) An employee who has completed **their** regular daily or bi-weekly hours of work shall be paid at the applicable overtime rate for a minimum of fifteen (15) minutes or actual time worked whichever is greater for each telephone consultation call logged.
- (c) For purposes of calculation as per (a) and (b) above, time spent on telephone consultations shall be calculated from 0001 to 2400 hours daily.

43:02 Employees consulted by telephone outside of their regular working hours shall document all calls received and shall submit a log of all such calls to their supervisor for processing.

43:03 Telephone consultations may occur during a standby or non-standby period.

43:04 Telephone consultations on a standby period are not applicable for employees of PRHA Mobile Crisis Mental Health.

Article 44 Emergency, Disaster and Fire Plans

44:01 The importance of disaster plan exercises and fire drills is mutually acknowledged by the Employer and the Union.

- 44:02 In any emergency or disaster (a sudden generally unexpected occurrence or set of circumstances that overwhelms the Employer's available resources and causes a major impact requiring immediate action) declared by the Employer, employees are required to perform duties as assigned notwithstanding any contrary provision in this agreement.
- 44:03 Compensation for unusual working conditions related to an emergency in Article 45:02 above will be determined by later discussion, between the Employer and the Union, and/or by means of the grievance procedure if necessary, except that the provisions of Article 12 shall apply to overtime hours worked.
- 44:04 Where overtime is worked by reason of a disaster plan exercise or fire drill, overtime will be paid in accordance with Article 12.

Appendix A

Bi-weekly Remoteness Allowances

Remoteness Allowance shall be paid subject to the following eligibility:

A. Eligibility Claim:

A claim, with appropriate attestation, notarized where considered necessary, for payment of Single or **Dependent** allowance, will be submitted to the Employer when first requesting the allowance, and **at the request of the Employer.**

However, the employee is responsible to provide appropriate attestation to the Employer when any change occurs in the eligibility of a dependent.

B. Single or Dependent Allowance:

Subject to Section 3 below the single allowance will be paid to employees that have established a residence and maintain a home in a location designated as a remote location and who are eligible for the payment of a Remoteness Allowance. Claims for Dependant's allowance will be subject to the following criteria and conditions:

1. The employee shall be supporting one **(1)** or more dependents where a dependent includes:
 - i. **A spouse or common-law partner** living with and dependent on the employee for main and continuing support;
 - ii. **An unmarried dependent child under eighteen (18) years of age;**
 - iii. **An unmarried dependent child over eighteen (18) but under twenty-one (21) years if in full-time attendance at a school or university or similar educational institution;**
 - iv. **An unmarried child of any age with a disability, provided such a child is dependent on the employee for support.**
2. There is a presumption of marriage evidenced by co-habitation. If a marriage contract is not in existence, a common-law arrangement must

have been in existence for at least one year prior to the application for **dependent's** rate.

4. Where both **spouses or common-law partners** are employees of the **Employer** to which these **eligibility criteria** apply, the **dependent** supporting rate will be paid to **one (1) spouse or common-law partner only and the other spouse or common-law partner** will not receive either **the Dependent or Single** rate of Remoteness Allowance.

Where specially requested by both employees in writing, the **dependent's** rate may be divided and equal amounts (to the nearest cent) paid to each employee.

C. Location and Residence:

The Remoteness Allowance applicable to the location at which the employee has established **their** residence and maintains a family home is normally that which prevails, since the residence would be within normal daily travel distance to the employee's **base location**. In any case where the employee does not have a residence established on a continuing basis in relation to **their base location**, the location of the employee's **base location**, as established by the **Employer**, shall be considered the location for Remoteness Allowance.

D. Limitations:

The Remoteness Allowances **for various sites, for employees who are** supporting **dependent(s)** as indicated, represent a maximum **daily** taxable allowance relative to paid employment. They are payable during paid **general** holidays and vacations taken during continued employment, **or** during authorized paid sickness leave (**eg: income protection benefits**) **during continued employment**. They are not payable during periods of absence without pay, nor payable at "time and one half" or other premium pay scales, **nor while being paid overtime rates or receiving other premiums**, nor included as part of regular **bi-weekly** earnings in calculation of vacation **days earned upon** termination of employment.

E. Geographic Eligibility:

No location will be included for remoteness allowance that is two hundred and fifty (250) kilometres or less from the centre of the metropolitan area of the City of Winnipeg or the City of Brandon, unless that location is a distance of sixty-five (65) kilometres or more by the most direct road to a provincial trunk highway or paved provincial road, and the aggregate distance to the highway or paved road and then to Winnipeg or Brandon totals two hundred (200) or more kilometres. No location having road access and situated south of the fifty-third (53rd) parallel of latitude will be included unless the criterion concerning off-highway access was met.

F. Daily Rates:

Remoteness Allowances are to be considered on a daily basis, **including for casual employees**, i.e. 1/10th of the bi-weekly rate, up to a maximum amount for the bi-weekly period.

1. **The employee shall receive 1/10th of the bi-weekly for every day the employee is at work irrespective of the number of hours worked, so long as a minimum of one hour is worked that day;**
2. **Where an employee regularly works a shift above the normal daily hours as provided for in Article 10:01, the allowance will be provided on a prorated basis.**

G. Bi-Weekly Rates:

Appendix D

Guidelines for Interpretation of Article 9:01 (Portability)

Re: Guidelines for the Interpretation of Article 9:01 (Portability)

1. The onus is on the employee to advise **their** new Employer that there are benefits/seniority to port.
2. The provisions of Article 9.13 only apply where an employee terminates employment from one Employer and commences employment with another Employer. It does not apply to “merge” employment/benefits etc. from two or more Employers to one of those Employers.
3. In the instance where an employee is to commence casual employment with the sending Employer, the employee’s employment must be terminated (including a letter of resignation), following which the employee can be newly re-hired as a casual employee. Failure to terminate employment with the sending Employer shall eliminate the ability to port benefits.
4. Once notified of portability of benefits/seniority, the receiving Employer shall notify the sending Employer by forwarding a “Portability Form” to the sending Employer. That Employer will complete the form as soon as possible and forward to the receiving Employer.
5. Portability applies for employment into either a permanent or term position. In the case of a term position, all benefits/seniority, etc. are ported at the time of employment. Should the employee not obtain a permanent position in accordance with the new Employer’s collective agreement, all seniority and benefits shall terminate, unless **they** in turn obtain employment with another MGEU Employer where portability applies, and within the time lines specified.
6. Employment terminates with the sending Employer and commences with the receiving Employer, in order for portability to apply. Therefore, accrued vacation is paid out by the sending Employer; only the accrual rate is ported.

Appendix E**Article 21:03 2(d) and 21:05**

Re: Article 21:03 2(d) and 21:05

The following example is provided to assist with the application of Article 21:03 2(d) and 21:05:

Calculations are based on the following values/assumptions:

Employee hourly rate - \$30.00

Weekly earnings - \$30.00 x 40 = \$1,200.00

Hours base – 2080 per annum

EI Maximum Amount - \$457.00 / week

Employee fulfills 50% of service requirement (total service requirement would be 2080 x .5 = 1040)

<u>\$12,117</u>	x	520	=	\$6,058.50
1040

Memorandum of Agreement No. 1*between***Prairie Mountain Health Employers Organization***and***Manitoba Government and General Employees' Union****Professional/Technical/Paramedical****Re: Application of Overtime Rates for Callbacks**

The purpose of this Memorandum is to provide clarification on the interpretation and application of Article 13:05 for the payment of callback. Implementation of this memorandum to be effective the second full pay period following the final date of ratification (May 30, 2004).

For the purpose of this Memorandum, a calendar day is defined as the period of time between 0001 hours and the next succeeding 2400 hours. For the purpose of this Memorandum, a callback commencing before midnight and ending after midnight into the next calendar day shall be calculated as if the callback occurred entirely within the first calendar day.

1. FULL TIME EMPLOYEES

- (a) Multiple call backs while on standby on a day other than a scheduled day off or a General Holiday - One and one-half times (1 ½ X) rate is payable. Two times (2X) rate is payable for time actually worked when an employee works in excess of three (3) hours while on standby within any one (1) calendar day.

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works two (2) hours.

The employee is paid two (2) hours at one and one-half times (1 ½ X) rate. The employee is also paid one and one-half times

(1 ½ X) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works two (2) hours.

The employee is paid one (1) hour at one and one-half times (1 ½ X) rate for the first hour worked and two times (2X) rate for the second (2nd) hour worked. The employee is also paid one and one-half times (1 ½ X) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 3rd callback - Employee works two (2) hours.

The employee is paid two (2) hours at two times (2X) rate. The employee is also paid one and one-half times (1 ½ X) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- (b) Call backs on a scheduled day off (except when such days off are a General Holiday) - Two times (2X) rate is payable on all callback hours paid.

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works one (1) hour.

The employee is paid two times (2X) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works four (4) hours.

The employee is paid two times (2X) rate for four (4) hours.

- 3rd callback - Employee works two (2) hours.

The employee is paid two times (2X) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- (c) Call backs on a General Holiday - Two and one-half times (2 ½ X) rate is payable on all callback hours paid.

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works one (1) hour.

The employee is paid two and one-half times ($2\frac{1}{2} X$) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works four (4) hours.

The employee is paid two and one-half times ($2\frac{1}{2} X$) rate for four (4) hours.

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works two (2) hours.

The employee is paid two (2) hours at one and one-half times ($1\frac{1}{2} X$) rate. The employee is also paid one and one half times ($1\frac{1}{2} X$) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works two (2) hours.

The employee is paid one (1) hour at one and one-half times ($1\frac{1}{2} X$) rate for the first hour worked and two times ($2X$) rate for the second (2nd) hour worked. The employee is also paid one and one-half times ($1\frac{1}{2} X$) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 3rd callback - Employee works two (2) hours.

The employee is paid two (2) hours at two times (2X) rate. The employee is also paid one and one-half times (1 ½ X) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works one (1) hour.

The employee is paid two times (2X) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works four (4) hours.

The employee is paid two and one-half times (2 ½ X) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works four (4) hours.

The employee is paid two and one-half times (2 ½ X) rate for four (4) hours.

- 3rd callback - Employee works two (2) hours.

3. CASUAL EMPLOYEES

- (a) Multiple call backs while on standby on a day where the casual employee has worked the applicable full-time daily hours of work other than a General Holiday.

One and one-half times ($1\frac{1}{2} x$) rate is payable. Two times ($2X$) rate is payable for time actually worked when an employee works in excess of three (3) hours while on standby within any one (1) calendar day.

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works two (2) hours.

The employee is paid two (2) hours at one and one-half times ($1\frac{1}{2} X$) rate. The employee is also paid one and one-half times ($1\frac{1}{2} X$) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works two (2) hours.

The employee is paid one (1) hour at one and one-half times ($1\frac{1}{2} X$) rate for the first hour worked and two times ($2X$) rate for the second (2nd) hour worked. - 3rd callback - Employee works two (2) hours.

The employee is paid two (2) hours at two times ($2X$) rate. The employee is also paid one and one-half times ($1\frac{1}{2} X$) rate for the third (3rd) hour, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- (b) NOTE: This provision applies only to callback while on standby on a day where a casual employee is not scheduled to work a regular shift, but has worked the applicable full-time hours within the bi-weekly pay period.

Two times (2X) rate is payable on all callback hours paid.

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works one (1) hour.

The employee is paid two times (2X) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works four (4) hours.

The employee is paid two times (2X) rate for four (4) hours.

- 3rd callback - Employee works two (2) hours.

The employee is paid two times (2X) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- (c) Call backs on a General Holiday

The employee is paid one and one-half (1 ½ X) rate until hours worked on the General Holiday reach the full-time daily hours of work.

- (i) Employee works a scheduled full shift on the General Holiday:

For example, an employee is on standby and is called to report for duty three (3) times within the calendar day:

- 1st callback - Employee works one (1) hour.

The employee is paid two and one-half times (2 ½ X) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works four (4) hours.

The employee is paid two and one-half times ($2\frac{1}{2} X$) rate for four (4) hours.

- 3rd callback - Employee works two (2) hours.

The employee is paid two and one-half times ($2\frac{1}{2} X$) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

(ii) Employee has not worked a regular shift but is on standby:

For example, an employee is on standby and is called to report for duty five (5) times within the calendar day. Example based on full-time regular hours of eight (8) hours per day:

- 1st callback - Employee works one (1) hour.

The employee is paid one and one-half times ($1\frac{1}{2} X$) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 2nd callback - Employee works four (4) hours.

The employee is paid one and one-half times ($1\frac{1}{2} X$) rate for four (4) hours.

- 3rd callback - Employee works two (2) hours.

The employee is paid one and one-half times ($1\frac{1}{2} X$) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 4th callback - Employee works two (2) hours.

The employee is paid one and one-half times ($1\frac{1}{2} X$) rate for one (1) hour. As the employee has now worked the full-time daily hours, the employee is paid two and one-half times ($2\frac{1}{2} X$) rate for the remaining two (2) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- 5th callback - Employee works one (1) hour.

The Employee is paid two and one-half times ($2 \frac{1}{2} X$) rate for three (3) hours, which satisfies the minimum guarantee of three (3) hours at overtime rates.

- (d) Multiple call backs while on standby on a day where the employee has not worked the applicable full-time daily hours. - Straight time (1X) rate payable for not less than three (3) hours for each callback. Should the casual employee work in excess of the daily full-time hours of work, “a” above shall apply.

First example, an employee is on standby and is called to report for duty four (4) times within the day. Example based on full-time regular hours of eight (8) hours per day.

- 1st callback - Employee works four (4) hours.

The employee is paid four (4) hours at straight time (1X) rate.

- 2nd callback - Employee works for two (2) hours.

The employee is paid three (3) hours at straight time (1X) rate, which satisfies the minimum guarantee of three (3) hours pay.

- 3rd callback - Employee works three (3) hours.

The employee is paid two (2) hours at straight time (1X) rate and one (1) hour at one and one-half times ($1 \frac{1}{2} X$) rate, as the employee has now worked the full-time daily hours.

- 4th callback - Employee works five (5) hours.

The employee is paid two (2) hours at one and one-half times ($1 \frac{1}{2} X$) rate and three (3) hours at two times (2X) rate.

Second example, an employee is on standby and is called to report for duty two (2) times within the day. Example based on full-time regular hours of eight (8) hours per day.

- 1st callback - Employee works twelve (12) hours.

The employee is paid eight (8) hours at straight time (1X) rate, three (3) hours at one and one-half times (1 ½ X) rate, and one (1) hour at two times (2X) rate.

- 2nd callback - Employee works two (2) hours.

The employee is paid two (2) hours at two times (2X) rate and one (1) hour at one and one-half times (1 ½ X) rate, which satisfies the minimum guarantee of three (3) hours at overtime rates.

In the event the employee is unable to reconcile additional hours worked over the **four (4)** consecutive bi-weekly pay periods referenced in (c) **above**, **they** shall be allowed to carry over any un-reconciled hours to be taken at a future time mutually agreed between the Employer and the employee.

Re: "Me Too"

During the term of the 2017 to 2024 Collective Agreement, should another healthcare Professional Technical Paramedical union negotiate new additional monetary increases for items such as but not limited to the following:

- General wage increases;
- Special wage adjustments;
- Additional steps on salary scale;
- Shift premiums and responsibility pay;
- Allowances of any kind;
- Bonuses of any kind;
- Overtime rates of pay;

(i.e. any additional compensation in any form).

Re: Full-Time Incentive

1. The parties agree that a Full-Time Incentive shall be payable in a lump sum annually to employees employed in a full-time (1.0 EFT) position during the following qualifying periods:
 - • April 1, 2023 – March 31, 2024
2. Upon confirmation of an employee's employment in a full-time position for the above qualifying periods, the employee shall be paid five-thousand dollars (\$5,000) on the first off-cycle pay period in May following each qualifying period. For clarity, eligibility depends on being employed in an eligible full-time position on March 31st in each qualifying year.
3. In the event that an employee secures a full-time position after April 1st in any of the above periods, the incentive payment will be pro-rated based on the number of hours the employee was employed full-time up to March 31st of the qualifying year.
4. Employees going on an approved leave of absence during the year, shall receive the pro-rated amount based on the number of hours the employee has worked full-time during the periods identified above.
5. Where an employee commences a full-time position after April 1st of the qualifying year as the case may be, the incentive will apply, on a pro-rated basis, only to the duration ending with the respective qualifying

date (March 31, 2024; as the case may be) where the employee works a consecutive unbroken period which includes the qualifying date. A consecutive unbroken period refers to when an employee last commenced a full-time position. For clarity, when an employee converts from a full-time to part-time back to full-time status, no period of employment prior to the employee's current full-time position shall be included in the calculation of the incentive.

6. All statutory deductions will apply to the incentive payments. The incentive payments are deemed non-pensionable and are not subject to benefit deductions.
7. Where an employee moves directly from one qualifying position to another, within or between any Employer/Employers Organization in accordance with Article 9.13 of the Collective Agreement, or from an MAHCP Employer to an MGEU PTP Employer in accordance with MOA #29 Re: Provincial Multi-Union Professional Technical Paramedical Sector Mobility, the positions shall be considered as contiguous and continuous for the purposes of the determination of the incentive amount.

Re: Recruitment and Retention Incentives

WHEREAS retention, recruitment and training of allied health individuals is a priority for the Parties;

AND WHEREAS the Parties recognize there are significant allied health retention and recruitment challenges and the Parties agree that ongoing, focused effort on retaining and attracting qualified individuals to the provincial health system is required;

THEREFORE the Parties agree as follows:

Effective the date of ratification

1. The Employer will provide ten thousand dollar (\$10,000) maximum over two (2) years for allied health individuals who accept a Full Time EFT. The incentive will be prorated for individuals who accept a minimum of 0.7 EFT (0.7 times the full amount provided for a 1.0 EFT). The incentive is payable in two (2) installments, with five thousand dollars (\$5,000) payable within six (6) months of start of employment and five thousand dollars (\$5,000) payable after the completion eighteen (18) months of service (pro-rated for those 0.7 EFT and above). A two (2) year Return of Service agreement (ROSA) is required and is subject to the conditions below.

A) Recruitment:

An employee who returns to employment from retirement or resignation (not currently holding a full or part-time position with any Employer with an Employer Organization within the Province of Manitoba) shall receive a ten thousand dollar (\$10,000) recruitment bonus if accepting full time employment for a period of two (2) years. In order to qualify, the individual must minimally accept and maintain a 0.7 EFT. Payments will be prorated based on EFT.

B) Retention:

An employee who is currently employed and eligible to retire as of July 1, 2023 or up to and including July 31, 2024, without early retirement penalty and submits a written request to the Employer regarding an additional two (2) year commitment shall receive the above recruitment incentive for a period of two (2) years. In order to be eligible for the retention incentive, the eligibility period commences from date of approval of the written request. Eligible employees must minimally maintain the EFT that was committed to at time of approval. Should an individual, currently employed and who holds an EFT lower than 0.7, or holds casual status, wish to commit to a position which is 0.7 EFT or above, and obtains such a position, they shall be entitled to receive the incentive provided they meet all other criteria as outlined in this section.

The parties agree the phrase “without early retirement penalty” is understood to mean there is no penalty or deduction applied to the employee’s pension entitlements, as described under the bylaws or requirements of the applicable pension plan, had the employee opted to retire between July 1, 2023 and July 31, 2024.

2. Where an employee qualifies for the Retention Incentive in paragraph B) above, notwithstanding the date of which the ROSA is signed by the parties, where an employee meets the conditions of eligibility for the

incentive, the qualifying period shall be considered to commence as of the date the employee holds the qualifying position, but no earlier than July 1, 2023.

3. Where an employee transfers from one qualifying position to another, within any Employer, or within or between any Employer or Employers Organization within the Province of Manitoba the positions shall be considered as contiguous and continuous for the purpose of the determination of Incentive amounts(s).
4. Where an employee, occupying a position qualifying for the Recruitment and Retention Incentive is moved to a non-qualifying position as a result of an Employer imposed circumstance (program transfer, program closure, deletion of position etc.), the Employer shall endeavor to undertake all reasonable measures to provide the individual a similar position that requalifies the employee for the incentive to which they were previously entitled. Where the employee is not placed in a qualifying receiving position, the incentive for the former position will be provided to the employee, on a pro-rated basis, for the duration spent in the qualifying position.
5. All statutory deductions will apply to the incentive payments above. The incentive payments are deemed non-pensionable and are not subject to benefit deductions.

Re: Provincial Multi-Union Professional Technical Paramedical Sector Wage Standardization Fund

The Employers Organizations and the Union (“Parties”) recognize the importance of wage standardization for classifications performing primarily the same duties.

As such, the Parties agree to establish a multi-union joint committee consisting of equal representation from the Employers Organizations and the professional technical paramedical bargaining units not to exceed twelve (12) [six (6) representatives from the Employers Organizations and six (6) representatives from the multi-union professional technical paramedical bargaining units] committee members in total.

The Provincial Multi-Union Professional Technical Paramedical Sector Wage Standardization Committee will commence meeting within one hundred twenty (120) days of the ratification of all six (6) of the sector 2018-2024 collective agreements.

In order to address identified and agreed to inequities, a combined General Wage Standardization/Market Adjustment Fund (“Fund”) will be provided as outlined in accordance with MOU #26 Re: Employer Statement of Intent – Market Adjustment and Wage Standardization – Monetary Proposal.

It is the goal of the standardization process to seek provincial wage standardization for classifications within the healthcare professional technical paramedical bargaining units.

Any wage standardization adjustments will be effective at mutually agreeable date(s) as decided by the joint committee, but no sooner than October 1, 2023.

1. It is recognized and agreed by the Parties that:

Re: Provincial Multi-Union Professional Technical Paramedical Joint Market Adjustment Fund

The Employers Organizations and the Association ("Parties") agree to establish a combined Wage Standardization/Market Adjustment Fund ("Fund"), the purpose of which shall be to determine what, if any, classifications warrant a market adjustment based on demonstrable recruitment/retention patterns or wage differentials. Market Adjustments are to apply to "designated" classifications only (not all classifications).

As such, the Parties agree to establish a joint multi-union committee consisting of equal representation from the Employers Organizations and the professional technical paramedical bargaining units not to exceed twelve (12) [six (6) representatives from the Employers Organizations and six (6) representatives from the multi-union professional technical paramedical bargaining units] committee members in total.

The Provincial Multi-Union Professional Technical Paramedical Sector Joint Market Adjustment Committee will commence meeting within one hundred twenty (120) days of the ratification of all six (6) of the sector 2018-2024 collective agreements. Additional representatives may be invited to attend as determined by the committee to provide necessary information.

Criteria: Any adjustment(s) shall be based on demonstrable "recruitment/retention" criteria, i.e.: adjustment(s) applicable to only those

classifications for which it has been demonstrated that there have been "recruitment/retention" challenges; or wage discrepancy;

The Parties may also take into consideration relevant criteria including, but not limited to, the following:

- (i) Service delivery impacts;
- (ii) Vacancy rate analysis;
- (iii) Salary and market conditions.

Any adjustment(s) will be effective at a mutually agreeable date(s) as decided by the joint committee, but no sooner than October 1, 2023 (unless otherwise mutually agreed-to); and

It is recognized and agreed by the Parties that:

- (i) Where the Parties are unable to agree upon allocation of any part of the Fund, the Parties will appoint an adjudicator to determine the issue. If the Parties are unable to agree upon an adjudicator, the Parties may submit a request to the Manitoba Labour Board. The adjudicator's ruling shall not exceed the financial capability of the Fund. The ruling of the adjudicator shall be final and binding on all Parties. Expenses and fees of the adjudicator shall be cost shared between the Parties. These costs will not be charged against the Fund.
- (ii) Should the market adjustment rate be achieved before the fund is fully expended, the Parties agree that the terms of the memorandum have been met.

In order to address identified inequities, the Fund will be provided as outlined in accordance with MOU-#27 Re: Employer Statement of Intent – Market Adjustment and Wage Standardization – Monetary Proposal.

Costs associated with this joint committee will be borne as follows:

- (i) Employees will not suffer a loss of pay or benefits as a result of participation on the joint committee (at the expense of the Employer).
- (ii) Each party shall be responsible for its own incurred expenses.

Matters contained in this Memorandum of Understanding shall not be subject to the grievance and arbitration procedure.

**Re: Employer Statement of Intent – Wage Standardization and Market
Adjustment – Monetary Proposal**

PHLRS has tabled the following proposed Memorandums of Understanding (MOUs) at the MGEU bargaining table which did not include the monetary proposal:

- • **#ER MOU-24 – Provincial Multi-Union Professional Technical Paramedical Sector Wage Standardization Fund**
- • **#ER MOU-25 – Provincial Multi-Union Professional Technical Paramedical Joint Market Adjustment Fund**

MGEU and PHLRS have agreed to refer the above, in addition to other matters, to a multi-union table which would include the Manitoba Association of Health Care Professionals (MAHCP) represented Employers Organizations. As collective bargaining for MAHCP is still ongoing, the PHLRS is not in a position to disclose the total combined monetary proposal for the Provincial Multi-Union Professional Technical Paramedical Sector Wage Standardization Fund and the Joint Market Adjustment Fund.

For the purposes of attempting to conclude collective bargaining with MGEU, PHLRS is prepared to confirm the guaranteed funding of \$4,000,000 on an annual basis, pro-rated for the 2023/24 fiscal year and allocated in accordance with the MOUs listed above.

The parties agree that the amount listed above for wage standardization and market adjustments is intended to be inclusive of wage standardization and market adjustment issues (unless otherwise negotiated) between all of the parties at the multi-union table including, but not limited to, inequities not previously addressed, the reconfiguration of the professional technical paramedical bargaining units, the slotting of classifications transitioned into an Employers Organization (e.g.: Addictions Foundation of Manitoba), market adjustments, salary scale adjustments within bargaining units etc.

Re: Standardization of Annual Hours of Work

WHEREAS it is understood that there are currently employees working multiple annual hour bases within and between Employers in the Interlake Eastern Health, Prairie Mountain Health Region and Southern Health Region Employers Organization, including 1885, 1950, and 2015, the most common being 2015 annual hours;

AND WHEREAS, it is the goal of the annual hours standardization process to seek standardization between classifications within the healthcare Professional Technical Paramedical sector bargaining units.

AND WHEREAS, it is understood for consistency, equity, and the continuity of service delivery, employees within the same classifications, departments and/or Employers should work the same annual hour base for their classification.

NOW THEREFORE the parties agree as follows:

1. The PHLRS and Union will meet within one hundred and twenty (120) days of ratification to develop a process for the Employers and Unions to facilitate the movement of classifications to 2015 annual hours.
2. Upon receipt of the process, the Employer and Union shall meet to review the appropriate classifications, existing schedules, including hours of work and applicable meal and rest periods.

3. Any adjustments to the annual hours of work will be effective at a mutually agreeable date (the “transition date”). All current provisions related to each occupied position will remain in effect until the transition date.

If the annual hours for a classification are increased (eg: from 1950 to 2015, the employee’s hourly rate will not change. By way of example:

			Start	Step 1	Step 2	Step 3	Step 4	Step 5
Speech Language Pathologist	1885	Hourly	\$38.477	\$40.093	\$43.180	\$44.831	\$46.630	\$48.444
Speech Language Pathologist	2015	Hourly	\$38.477	\$40.093	\$43.180	\$44.831	\$46.630	\$48.444

4. Upon the transition date, all reviewed classifications whose annual hour base is below 2015 hours, will convert to the 2015 annual hour base. Schedules shall be adjusted accordingly.
5. In order to minimize the impacts, any vacant positions in the identified classifications may be posted based on 2015 annual hours, prior to the transition date.
6. Matters contained in this Memorandum of Understanding shall not be subject to the grievance and arbitration procedure.
7. In the event the Parties are unable to achieve agreement regarding the above, the Employer shall have the final decision in accordance with Article 6 – Management Rights.
