

Diagnostic Services of Manitoba Collection of Interest Form

The MB Healthcare Providers Network is the organization in Manitoba responsible for recruitment and retention of health care professionals. We are trying to connect with Medical Laboratory Technician, Medical Radiology Technicians, CLXT and Sonographer/Ultrasound students to make them aware of clinical practicum, summer employment, and career opportunities in Manitoba. If you are a student originally from, or with a connection to Manitoba, enrolled in any of those programs and would like to explore what a future in Manitoba can provide, please complete and submit this form.

Candidates accepted for summer employment or clinical practicum placements may be eligible for travel, accommodations, and living allowance support.

All applications are to be submitted to ashaw3@sharedhealthmb.ca
