

EXPAND YOUR NURSING EXPERIENCE  
WORKING ACROSS

*Manitoba*

## Join Shared Health's Provincial Nursing Float Pool

Benefits include salary incentives, flexible scheduling, paid travel / accommodations and more!  
Opportunities exist for casual RNs, LPNs and RPNs.

- Incentive pay of \$6 per hour or an additional 15% of current wage, whichever is greater, for hours worked at "float" location or facility
- Diverse experience – work in different settings and teams to enhance your skills and expand your scope of practice
- Varied assignments and flexible scheduling - identify your preferred communities and facilities
- Paid travel time (at your regular pay) and mileage calculated to and from your "float" location or facility
- Paid accommodations, arranged for you, if working 50km away from home address
- Paid sick time and health benefits for employees with an EFT
- Opportunity for casual nurses to apply for benefits and pension

### How it works:

Provincial Float Pool nurses will have the ability to identify their preferred health region(s), facility(ies), and work location/specialty area where they are interested in working their "float" shifts.

Nurses working less than 50km from their home address receive incentive pay.

**Guaranteed hours. Flexibility and choice.**

**Learn more about opportunities available and how to apply**  
& check back regularly as more positions and facilities are posted.
